Sport, Creative , Academic

PLEASE NOTE: Any club that is not underlined is not attended by a member of school staff. Children who attend these clubs are not in the care of the school and school policies are not adhered to by external providers. It is the responsibility of the parent to ensure that contact details, medical information and medication (if required) are provided for the external provider and parents should ensure that they are satisfied with the policies and procedures of the club provider.

* indicates an external club where a charge applies. A separate letter must be collected from the office and a booking form/payment completed.

** indicates a school run club where a £2 charge per session applies.

Children attending clubs run by Ashdene staff will be dismissed from the main entrance.

WFA will be dismissed from the school field.

Primary Sports Coaching will dismiss children from the main entrance.

Cross country club will meet on the KS2 playground.

Where the club is open to R-Y6 two coaches/members of staff are present to split activities into age appropriate groups. I.e. a reception child would not be playing rugby with a Y6 child.
