May 2017	May 2020	Assistant Head

RATIONALE

Whilst we recognise that some sun is good for us, Sun Safety is an important health and safety issue for schools. Children spend almost half their childhood at school, with approximately 8 hours per week spent outdoors. During the warmer months of the year children are exposed to UV radiation from the sun, the majority of which is when UV penetration is at its strongest (between 11am and 3pm). Without adequate protection, a child's delicate skin can easily burn, causing accumulative and irreparable damage. This can significantly increase their risk of developing skin cancer in later life.

Skin cancer is the most common cancer in the UK with rates of the disease rising faster than any other cancer. Sun exposure in the first 15 years of life contributes significantly to a person's lifetime risk of skin cancer highlighting the importance of schools and parents working together, to increase knowledge, influence behaviour, ensure children are protected against UV and learn how to enjoy the sun safely.

SUNSCREEN	IMPLEMENTING	PLANNING/ INVESTIGATING
We actively remind parents to ensure their child brings a quality sunscreen to school / leaves their sunscreen at school for application as required	✓	
We make available additional sunscreen for all outdoor activities, events and school trips where children may have forgotten, lost or run out of theirs		✓
We actively encourage pupils to apply sunscreen when UV levels reach 'high' or above before extended periods outdoors such as lunch breaks, PE, or outdoor activities	✓	

SUN HATS AND CLOTHING	IMPLEMENTING	PLANNING/ INVESTIGATING
We actively remind parents to ensure their child brings an appropriate sun hat to school / leaves their sun hat at school for use as required	✓	
We actively encourage pupils to wear their sun hat when UV levels reach 'high' or above	✓	
We use sun safe strategies to encourage pupils to cover up like 'No hat, play in the shade	✓	
We ensure pupils wear school and PE uniforms that keep shoulders covered, vests/strappy tops are strongly discouraged.	✓	

SHADE	IMPLEMENTING	PLANNING/ INVESTIGATING
We currently provide shaded areas outdoors where pupils congregate for outdoor play, lessons and activities. This can includes trees and/or purpose built or portable shade structures.	✓	

SUN SAFETY EDUCATION	IMPLEMENTING	PLANNING/ INVESTIGATING
We are committed to educating all pupils annually on sun safety using comprehensive, curriculum linked lesson plans, activities and resources provided by the Sun Safe Schools national accreditation scheme	✓	

INFORMING THE SCHOOL COMMUNITY	IMPLEMENTING	PLANNING/ INVESTIGATING
We are committed to educating all pupils annually on sun safety using comprehensive, curriculum linked lesson plans, activities and resources provided by the Sun Safe Schools national accreditation scheme	✓	

REVIEW	IMPLEMENTING	PLANNING/ INVESTIGATING
The school will regularly monitor and review the effectiveness of this policy and will update the policy on an annual basis in-line with renewing our Sun Safe Schools accreditation	✓	

This policy has been developed with guidance from the Sun Safe Schools national accreditation scheme.
