In the summer holidays, Michael was happily painting a picture when his Mum asked him if he could quickly go to the shop. She wanted him to go now as she needed him to go quickly because she needed some more milk immediately. Michael cheerfully agreed because he goes to the shop regularly and enjoys riding his bike safely to get there. Michael soon set off to the shop. He was constantly checking for cars and never stopping for a break. He merrily bought the milk and enthusiastically paid the shopkeeper. Sneakily, he bought a chocolate bar to hungrily munch on his way home. He got the chocolate everywhere.
