

Monday

Re-read chapter 23. Today you are going to create a poster advertising the toy shop. Your poster needs to include: The name of the shop

- Where you will find it
- What they sell and cost of the dolls
- Any special things for sale (maybe you could include Edward)
- Opening hours
- Anything else you think is important
- Exciting vocabulary to describe the shop

Your poster needs to be colourful and eye catching- you want people to want to go to the shop!

You could email your poster to you teacher, we would be very excited to see what you have come up with!
