

Grammar
Commas and Conjunctions

Underline the conjunctions and circle the commas in the sentences below.

Alina can bake cupcakes, cakes and cookies, but not bread. Her gran hasn't taught her how to do that yet.

Show where the commas should be in the sentence below.

Lena was so angry that she couldn't
sleep so she had some hot chocolate
read her book and cuddled her teddy.

Find and correct the mistakes in the sentence below.

Joshua enjoys, reading adventure mystery and ghost stories and he doesn't like traditional tales so he read lots of, them when he was younger.

Which sentence has used commas and conjunctions correctly? Explain why

- A. Bushra loves, acting and singing and she doesn't like dancing so she finds it difficult.
- B. Kristian dislikes chocolate and sweets if they are too sugary for him when he tries not to eat too many sweet things.
- C. Tomatoes, apples and mangoes are types of fruit because the seeds are inside, but bananas are a berry.

Grammar
Commas and Conjunctions

Alina can bake cup-cakes, cakes and cookies, but not bread. Her gran hasn't taught her how to do that yet.

Alina can bake cupcakes, cakes and cookies, but not bread. Her gran hasn't taught her how to do that yet.

The boxes after 'chocolate' should be ticked.

Lena was so angry that she couldn't
sleep so she had some hot chocolate
read her book and cuddled her teddy.

Commas in the wrong places and wrong conjunctions. It should be 'Joshua enjoys reading adventure, mystery and ghost stories, but he doesn't like traditional tales because he read lots of them when he was younger.'

Joshua enjoys, reading adventure mystery and ghost stories and he doesn't like traditional tales so he read lots of, them when he was younger.

C because the commas are in the correct places and the conjunctions 'because' and 'but' are correct.

- A. Bushra loves, acting and singing and she doesn't like dancing so she finds it difficult.
- B. Kristian dislikes chocolate and sweets if they are too sugary for him when he tries not to eat too many sweet things.
- C. Tomatoes, apples and mangoes are types of fruit because the seeds are inside, but bananas are a berry.
