In an acrostic poem, the first letter of each line spells a word. The word is the subject of the poem.

Today you are going to write an acrostic poem using the theme of space.

You could use the word ALIEN or SPACE.

I have attached a word mat that you could use to help you.

Shining brightly in the darkness.
Travelling through the sky.
Always there when the sun goes down.
Rockets pass them far away.
