

Wednesday 13th May

Guided reading

On Some Other Planet

On some other planet
Near some other star,
There's a music loving alien
With a great big car.

On some other planet
On some far-distant world,
There's a bright sunny garden
Where a cat lies curled.

On some other planet
One that we can't see,
There must be one person
Who looks just like me.

Have a go at changing the space poem and making it your own!

Use some parts of it and change others.

I have written an example for you to have a look at.

On Some Other Planet

On some other planet
Near some other place,
There's a make up loving alien
With a beautiful green face.

On some other planet
On some far-distant land,
There's a bright blue ocean
With a beach covered in sand.

On some other planet
One that we can't see,
There must be an alien
Who wants to be friends with me.
