

Tuesday

Read chapter 24 of the book twice. Tomorrow you are going to retell this chapter as either Edward or Bryce- you can choose.

When you retell this chapter you are going to be including how your character (either Bryce or Edward) is feeling and why. To prepare for this you need to gather ideas for different parts of the chapter

Example if I was writing as Edward:

Bryce walked into the shop- happy to see him, overjoyed, delighted, thrilled (because Bryce might be coming to take me away with him).

Example if I was writing as Bryce

Bryce walked into the shop- happy to see Edward, nervous (because he hadn't seen Edward since he was all broken), sad (because he won't be able to take Edward with him).

Below is a table with key parts of the chapter. Complete it by putting in how your character is feeling at each point. See if you can find any interesting adjectives by using a thesaurus to help you.
