Today's Task: Create your villain

In the Kid Normal book, the villain is called Nectar who is half man and half wasp.

Listen to the ideas on the video then create your own villainess character. Using animals is a great way of giving your baddy characteristics. Remember to give them a name! The video suggests using 'The Evil Doctor' as a good villainess title.

Write a diary entry as your villain, conveying their personality and what they do which makes them so evil.

G	Diary
A	Myself (diaries are always for yourself)
P	To express thoughts, feeling and reflections, therefore conveying characteristics
