Today's Task: Create your Villain's Lair

Your villain needs a suitable place to live (and be evil in).

Listen to the ideas on the video then create your own. Think about the atmosphere you want to create – is it spooky and creepy? Is it futuristic or set in some past ancient world?

Write a third person descriptive narrative of someone entering the villain's lair (it could be the villain himself, or your hero or someone completely different). Try and create an atmosphere that is fitting of your story and the characters within it. You could do an illustration to match it if you wish.

G	3 rd person descriptive narrative
A	Children
P	To describe the villain's lair, conveying a atmosphere.
