

Tuesday 12th May

Today we would like you to write a letter to one of your friends, describing some of the activities you had written in your list yesterday.

You could photograph your letter and e-mail it to us or type straight onto the class e-mail page!

For example:

Dear Mrs Holland,

I have been busy with some amazing activities and I wanted to tell you all about them.

Yesterday I helped cut down a tree in the garden and then chop it up into little discs. There was a lot of mess! The weather was also extremely hot, so we had a tasty barbecue and later had some freezing ice-cream to help us cool down.

I hope you are having lots of fun too!

From,

Mr Lewis.
