

Friday 15th May

Let's finish your story with a final few sentences-

What does the person who answers the door do or say? Do they help you or not?

How do you get back home (if you do!)?

How do you feel at the end of your adventure?

Remember to try and include some adjectives and adverbs to make your writing interesting.

eg. a small man with a huge nose or I tiptoed silently through the door ...
