

Friday 15th May - Summarising

1) How many space facts can you recall?

- See how many space facts you can recall from the extract of the book.
- You must write at least three!
- There is a point for every fact you can write.

2) Imagine you were one of the Wright brothers (the men who built the first real aeroplane). Write one paragraph explaining your feelings and emotions after your first flight.

3) Would you read this book? Explain why or why not.
