

Thursday 14th May – Reading Activity Year 1

Read the opening to this story and answer the questions below.

Once there was a little Earth man who wanted to fly far away. So one day he and his friend woke early and made a space rocket. Together they worked very hard, only stopping for cups of tea now and again. The top of the rocket was blue, the back was red and the wings were white. Finally, they finished the rocket and pulled it into place in the garden, away from the house. The friends started the engine.

FIVE, FOUR, THREE, TWO, ONE - BLAST OFF!

1. Who made the space rocket?
2. What colours were the rocket?
3. Where did they make the rocket?
4. Why do you think he wanted to fly far away?

Answers:

Who made the space rocket? **The Earth man and his friend.**

What colours were the rocket? **blue, red and white**

Where did they make the rocket? **in the garden**

Why do you think he wanted to fly far away?
