

You can either print and cut these out or tear off some scraps of paper and write them on there. You can play by yourself or challenge a partner.

Instructions

1. Turn over two cards at a time.
2. You can keep the pair if you turn over a prefix (anti, super or auto) and a root word (e.g. graph, biography, star) and can make a new word that makes sense. See how many new words you can come up with.

anti	auto	auto
auto	graph	biography
super	-ageing	allergenic
anti	natural	perspirant
super	correct	star
super	fungal	septic
anti	nova	anti
super	anti	bug

Challenge yourself – see how many words you can make of your own and have a go at writing them in some sentences.
