

## Science Experiment 2

*Which of the 4 ingredients can dissolve in warm water?*

**Prediction-** *Which will and which won't?*

**Method-** *How? What do we need?*

**Fair test-** *What did we do to make it fair?*

---

---

**Results-** *What happened?*

**Conclusion-** *What did you learn?*

---

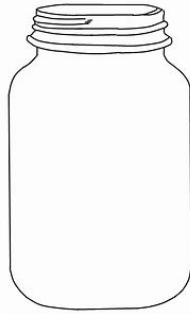

---

### Science Experiment 3

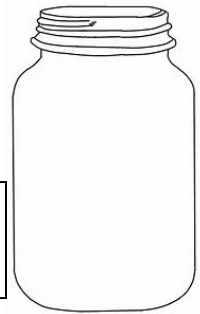

*Will the same thing happen when I drop ink/Food colouring into hot and cold water?*

**Prediction-** *What will happen?*

**HOT**

**COLD**

**Method-** *How? What do we need?*

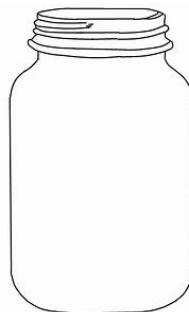

**Fair test-** *What did we do to make it fair?*

---

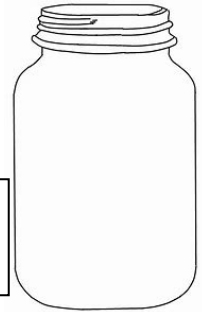

---

**Results-** *What happened?*

**HOT**

**COLD**

**Conclusion-** *What did you learn?*

---

---
