

Year 1 Maths Half Term 6 Week 1

Recap Length

Children use non standard units to measure length and height.

Monday 1<sup>st</sup> June 2020.

Green

Find a pencil.

Now look round your house. Can you find 3 things that are longer than your pencil?

3 things that are shorter than your pencil?

3 things that are the same length as your pencil?

Write them down under the headings...

Longer                      Shorter                      The same length as.

Yellow

Find some bricks , lego would be perfect but any small bricks that are the same size as each other will do.

Find 5 things to measure with your bricks. Draw this table in your book , guess the number of bricks first and then measure.

Object	My guess	Was I right?

Red

More than a metre.

Ask someone to help you to cut a piece of string a metre long.

Now copy out this table and list 5 things that you think are longer than a metre, shorter than a metre or the same as a metre.

Object	More, less, same as	Was I correct?
