

Reading for year 1- Friday 5th June.

Today we would like you to think about what you have learnt about non-fiction texts over this week. Have a look at the different kinds of texts you found, the different sections and features of the texts and you own front cover and sub-headings.

If you can, talk to someone else in your house about what you have learned. You might also like to write a few sentences to tell us what you have found out.
