Shape

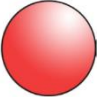

To recognise and name common 3D shapes

3D shapes are solid and you can often pick them up, walk around them or at least see the depth of them. Have a look around the house to see if you can see any familiar 3D shapes.

Complete the Name the 3D Shape quiz.

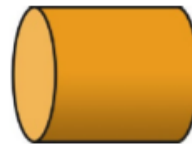

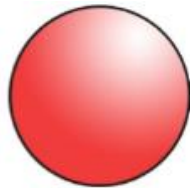

Green

- Match the name of the shapes with the correct pictures.

	Sphere
	Cuboid
	Cube
	Square- based pyramid
	Cylinder
	Cone

Yellow

- Here is a selection of 3D shapes. Label them and find an object in the house that is that shape.

Red

Look at this picture. What 3D shapes can you see. You could print off this picture and label the shapes you can see. You could colour each type of shape 1 colour or you could have a go at drawing your own 3D shape picture.
