

MA1: Manipulate Calculation

$$45.2 + 49.9 = 95.1$$
$$45.1 + 50 = 95.1$$

Mental Maths Answers

You should have been practising this method all week. I have prepared some mental maths questions for you below. Time yourself 10 minutes and have a go at trying to complete all the questions.

1. $2.1 + 3.8 = 5.9$
2. $5.2 + 6.1 = 11.3$
3. $3.9 + 8.2 = 12.1$
4. $14.2 + 12.9 = 27.1$
5. $18.9 + 18.2 = 37.1$
6. $12.2 + 14.9 = 27.1$
7. $16.2 + 6.9 = 23.1$
8. $72.03 + 9.9 = 81.93$
9. $85.01 + 116.94 = 201.95$
10. $137.02 + 142.9 = 279.92$
