

Year 1      Phonics      Week 4

Friday 26th June 2020

This week we are going back to some of the phonic sounds that we already know.

We are going to practice, practice, practice until we are all phonic superstars!

Today's sounds are **oo** as in poo at the zoo

**oo** as in look at the book

The first one is the long digraph and the second one is the short digraph.

Put two headings in your book

Long oo

short oo

Put these words under the correct heading and then think up some more if you can.

book   baboon   moon   took   shook   look   moon   spoon   soon   hook
