

## **Monday Present perfect task**

Today you are going to write sentences about yourself using the present perfect. You are going to write some truths and some lies. Once you have finished you are going to ask people to decide if they are true or false. You could email them to your teachers and see if they know!

You could use some of these verbs when writing your sentences or think of some more of your own:

**been met played danced seen ridden  
taken done eaten visited**

**True** things that you have or haven't done:

- I have \_\_\_\_\_.
- I have not \_\_\_\_\_.

**Lies** that you have or haven't done:

- I have \_\_\_\_\_.
- I have not \_\_\_\_\_.

If you've finished, see if you can write truth or lies about someone else.

*Example:*

***Miss Eavers has not lived in Spain.***

This is a lie- she has!
