

Year 5 Transition Project

This week we are going to spend time reflecting on being in year 5 as well as looking ahead to moving into year 6. As with previous project weeks, how you present/record your work is up to you (the more creative the better). We would really like to see what you do this week so please email us as much as you can! Each day we will have a focus and suggest activities you could do. You do not have to do everything on each list!

Day 1 - changes

Today we want to take some time to consider changes that have happened/are going to happen.

- 1) Start by considering what is change? How do you develop and grow as you get older? Look at the picture below to help you and consider the following:
 - What started the process of change?
 - What happened in each stage of the change?
 - What is your favourite/least favourite period of change?
 - Did the butterfly have any control over the changes that were happening to it?

- 2) Make a list of all the changes that have happened to you already (e.g. moving house).
 - Why did these changes happen?
 - Can we always control the changes that happen?
- 3) Choose one of the changes and consider the following:
 - How did you feel before the change?
 - How did you feel during the change?
 - How did you feel after the change?
 - What did you do to prepare for the change?
 - What actions did you need to take?
- 4) Make a list of the changes you anticipate may happen when you move into year 6.

- How do you feel about these changes?
 - What actions could you take to prepare yourself for these changes?
- 5) Choose a change you want to make when you are in year 6 (e.g. completing Accelerated reader quizzes more often or improving presentation/handwriting). Think about:
- What will it look like when this change has happened?
 - What might you need to do to prepare to make this change?
 - What actions might you need to take?
 - How will you keep it going?

Day 2 and Day 3 – celebrating the school year

Watch end of year video from Miss Collins (5C) or Mrs Axcell (5AH).

From Miss Collins: https://www.youtube.com/watch?v=FlkYk_2Shbl&t=1s

From Mrs Axcell: <https://www.youtube.com/watch?v=VtwG9PTE0Tw&t=157s>

Our time in year 5 might have been shorter than we would have liked this year but we still had a lot of fun and have lots of memories. Today and tomorrow we want to celebrate year 5. Think about all the fun things we have done and tell us about what you remember the most. Which was your favourite topic? What was your favourite trip? What was your biggest achievement? What was the funniest moment? Do you have a most memorable lesson? Did you get any rewards or certificates? What roles have you had in any assemblies this year? What was your favourite book you have read this year? Have you been in any sports teams/competitions?

Ideas

- Make a video about the best things from y5
- Write an end of year poem about what has happened during y5.
- Create a memory jar
- Write a y5 diary entry
- Write a y5 rap song
- Make a y5 scrap book
- Make a leaflet
- Make a persuasive advert about why year 5 was the best
- Write a book report for your favourite book as a recommendation for the year 4s
- Make a Pic Collage
- Make an eBook using Book Creator
- Make a y5 PowerPoint
- Write a letter to year 4 giving them advice ahead of them becoming year 5s.
- Write a list of instructions for year 4
- Write certificates for your classmates or create a class list with a positive attribute / happy memory about everyone (including yourself!)

Send your finished celebration to Miss Collins on 5C@ashdeneschool.net or Mrs Axcell and Mr Hayes on 5AH@ashdeneschool.net.

Day 4 and day 5 – moving to Year 6

Watch the welcome to year 6 video from Mr Gill (6G) or Miss Baldock (6B).

From Mr Gill: <https://www.youtube.com/watch?v=bQKQplgZa8I>

From Miss Baldock: <https://www.youtube.com/watch?v=JEeTw46fztA>

Today and tomorrow we want you to introduce yourself to your new class teacher. Tell them all about yourself. What do you like/dislike? What is your favourite subject? What do you want to work on in year 6? What are you looking forward to? Do you have any hobbies? Do you have any crazy hidden talents? Is there anything you are worried about? Are there any questions you have for your new teacher about being in year 6?

Ideas

- Make a video
- Make a power point
- Create an eBook
- Create a pic collage
- Make an 'all about me' poster
- Write a story
- Write your new teacher a letter
- Make an 'alphabiography': for each letter of the alphabet, come up with one fact about yourself.
- Award yourself bronze, silver and gold medals based on your skills, talents and achievements. Explain what you have awarded yourself a medal for and why.
- Create a fortune teller of your worries, with ways to help yourself underneath
- Create a dice with 6 things you would like to work on in year 6. Once you start year 6 you can roll it each week and work on it that week
- Take measurements – e.g. shoe size and height - and a photo now. Keep it safe to see how much you change in year 6
- Write a success criteria for the perfect learning environment
- Create a paper chain of talents. Cut strips of paper and write one of your talents on each and join together to make a paper chain
- Create a shoe box portrait. Put in a box items that say something about you
- Write 3 facts about you. 2 are true and 1 is false, see if your new teacher can guess the false one!
- Animal portraits. Draw yourself as an animal and explain why you are like that animal. E.g. If I were an animal I would be a bee because I'm always so busy.

Send your introductions to Mr Gill (6G) on 6G@ashdeneschool.net or Miss Baldock (6B) on 6B@ashdeneschool.net
