

## Guided Reading

### Tuesday – Vocabulary

Read the 3 pages from the book.

Once you have read it once, scan for the following words. Find them and write down the whole sentence they are in:

Lichen	Fragrance	Scorched	Zest
Snatches	Fiercely	Skitter	Eased

In your own words, write an explanation for what you think each word means in this context.

Create either:

- An anagram game (turn each word into an anagram and provide a small clue to help someone figure them out)
- A crossword puzzle (where each word intercepts another and you provide clues to what each word is)
