

Drawing an eye...

For this afternoon's task, you are going to start by learning how to draw an eye. Watch this video tutorial to help you.

<https://www.youtube.com/watch?v=IL5jTL5NOvo>

Remember – you need to practice to get better! It may take you several attempts in order to improve and draw it to the quality you are happy with.

Drawing a nose...

Once you think you've cracked the eye, now have a go at drawing a nose. Watch this video tutorial to help you.

<https://www.youtube.com/watch?v=7ueWr2EseM0>

Keep remembering that you need to practice to get better and it may take you several attempts in order to improve and draw it to the quality you are happy with.
