Task 1

Look at the list above. Time yourself for two minutes and try to remember as many words as you can. Then, after your two minutes is up, write down as many words as you can remember. See if you can manage to recall 20!

Task 2

Your main challenge today is to write a story.

Your story must not be more than 100 words and you must try and get as many of the words from our extended spelling list into your story as possible. Good luck!
