Routines

- ▶ Lunch time is from 12pm to 12:50pm.
- ▶ Please ensure you inform the class teacher/ office if your child is being collected by someone else. We are unable to release your child to another adult without this communication.
- ▶ The children need a water bottle, lunch (unless having school dinner), reading book and spelling book every day.
- ▶ Prescribed medicines to be taken to the office.
- ▶ For HT1, PE will be on Wednesday.
- ▶ In weeks 2-7 children will also have swimming.
- ▶ 1H Swimming – Wednesday & Friday
- ▶ 1SH Swimming – Tuesday & Friday
- ▶ Children should wear their PE kit to school on these days.

Excellence:
everyone, everywhere, every day

Our school values: RESPECT

Our core values of RESPECT underpin everything we do.

Celebrating our values

- Each Monday, we celebrate children who have shown the RESPECT values from each class.
- Each week we have a different RESPECT focus
- If your child has won an award, you will be invited in (in person or via teams) to celebrate with them during this assembly

Attendance

Children to enter through KS1 playground doors between 8:45 and 8:55am.

If children are late, they should enter through the school office, with an adult to sign them in.

Children will be dismissed at 3:20pm from 1H classroom door, 1SH from the side door onto the car park.

- Regular and punctual attendance in school is essential
- When a child misses school, this disrupts their learning
- Last year, at the end of Year 2, of those with attendance of 95% and higher, 84% achieved the expected standard in reading and writing.
- Of those with less than 95% attendance, only 69% achieved the expected standard in reading and writing. That is a difference of 15%.

Attendance

All children should be aiming to achieve a minimum of 97% attendance, apart from those with chronic health issues.

Excellent attendance at school is important to allow children to fulfil their potential. Days off school soon add up and frequent late arrival impacts important learning at the start of the day. It can be hard for children to catch up on vital information missed, which can significantly impede their academic progress and overall well-being.

Every Minute Counts

| Lateness = Lost Learning (Figures below are calculated over a school year) | |
|---|----------------|
| 5 minutes late each day | 3 days lost! |
| 10 minutes late each day | 6.5 days lost! |
| 15 minutes late each day | 10 days lost! |
| 20 minutes late each day | 13 days lost! |
| 30 minutes late each day | 19 days lost! |

Days off school add up to lost learning

PENALTY NOTICE FINES FOR SCHOOL ATTENDANCE ARE CHANGING !

With the introduction of the new National Framework for Penalty Notices, the following changes will come into force on 19 August 2024.]

Penalty Notices will be issued for

Term time leave: Penalty Notice fines will be issued for term time leave of 5 or more consecutive days.

10 Sessions of Unauthorised absence in a rolling 10 week period: A Penalty Notices may be considered when there have been 10 sessions of unauthorised absences in a 10 week period.

However, we retain the discretion to issue a Penalty Notice before the threshold is met. For example, where parents are deliberately avoiding the national threshold by taking several term time holidays below the above thresholds.

Per Parent/Per Child

Penalty Notice fines will continue to be issued per parent per child. For example: 3 siblings absent for term time leave, would result in each parent receiving 3 separate fines.

First Offence

The first time a Penalty Notice is issued for term time leave or irregular school attendance the fine will be charged at:

£160 per parent, per child if paid within 28 days of the issue, reducing to £80 per parent, per child if paid within 21 days.

(Unpaid penalty notices may result in a parental prosecution)

Second Offence

Where it is deemed appropriate to issue a second penalty notice to the same parent for the same pupil within 3 years of the first penalty notice, for either term time leave or irregular attendance the second penalty notice will be charged at:

£160 if paid within 28 days. (Unpaid penalty notices may result in a parental prosecution)

Third Offence

On the third time that an offence is committed within 3 years of the first penalty notice for either a term time leave or irregular attendance a penalty notice will not be issued. The case may proceed to Parental Prosecution under the Single Justice Procedure. If found guilty of the offence of 'Failure to send a child to school' the Magistrates can impose a fine up to £1000 or legal proceedings under Section 444 (1a) can include a fine of up to £2500.

Uniform

- Our school uniform is now supplied by Express Uniform. The school uniform policy can be found on the school website along with a link to our online shop. This academic year, pupils can wear the royal blue or new navy blue jumpers/cardigans
- High expectations of presentation for all pupils
- Children should come to school in their PE kit on allocated PE days (and swimming HT1). This must be our new PE kit (navy)
- Please see the uniform policy for details on what is the Ashdene PE kit: **wearing own sports clothes is not acceptable.**

- If your child cannot meet uniform expectations (i.e. they have grown out of their school shoes) please inform your class teacher by email, including when this will be resolved
- If children are wearing incorrect uniform or P.E kit, parents will be contacted. Children can be sent home.
- If families are struggling with the purchase of uniform, please contact school.

Expectations, rewards and behaviour

- ▶ Expectations of pupils are the same in all classes – this is known to the children and there are reminders around classrooms
- ▶ Celebration assembly for exceptional work and/or attitudes

Expectations, rewards and behaviour

Walking in the corridors

Silence unless talking to an adult.

Walk on the left.

Walk in single file.

Ready for learning

Arrive on time.

Wear the correct uniform.

Have the correct equipment.

Silence in the corridors.

Put your things away quickly.

Greet your teacher at the door.

Greet your classmates.

Start your task.

Expectations, rewards and behaviour

- ▶ Merits awarded for demonstrations of the RESPECT values
- ▶ Merit shop at the end of each half term
- ▶ Consequences – known by the children
- ▶ Focus on reflection, restoration and resolution

Excellence at Ashdene

If you show the RESPECT characteristics, you will earn merits that you can spend at the merit shop each term.

W

If you are not ready, respectful or responsible, an adult will give you a warning.

C1

If you continue to not be ready, respectful and responsible, you will have a C1 consequence.

C1 = Missing 10 minutes of playtime.

C2

If you do not correct your behaviour or refuse to follow instructions, you will have a C2.

C2 = Missing 10 minutes of playtime and spending 10 minutes in another classroom.

C3

If you playfight, cause damage to property, cause unintentional harm due to poor choices, show disrespect to others or use threatening words or behaviour, you will have a C3.

C3 = Missing 30 minutes of lunchtime. Your parents will be contacted.

C4

If you cause intentional harm, deliberately damage property, swear, use racist or homophobic language, bully another person or force someone to do something they don't want to do, you will have a C4.

C4 = Missing lunchtime and working outside the headteacher office for the afternoon. Your parents will be contacted.

ZONES of regulation

Zones of regulation aims to:

- ▶ Increase their emotional vocabulary so they can explain how they are feeling
- ▶ Recognise when other people are in different zones, thus further developing empathy
- ▶ Understand their emotions, sensory experiences such as lack of sleep or hunger and their environment might influence which zone they are in
- ▶ Further develop problem-solving skills and resilience
- ▶ Identify a range of strategies that will support them

Zones of Regulation

| <h3>1. Blue Zone</h3>  <p>RUNNING SLOW</p> <p>bored sad grumpy sick tired</p> | <h3>2. Green Zone</h3>  <p>GOOD TO GO</p> <p>happy feeling ok calm focused ready to learn</p> |
| <h3>3. Yellow Zone</h3>  <p>CAUTION</p> <p>frustrated worried silly/wriggly unfocused loss of control</p> | <h3>3. Red Zone</h3>  <p>STOP</p> <p>mad/angry aggressive yelling refusing to work out of control</p> |

ZONES of regulation

Children will learn and use zones...

- ▶ Some discrete teaching lessons and through our PSHE curriculum
- ▶ Using the Zones language with all school staff and pupils
- ▶ In the classroom by referring to the posters
- ▶ Using their personalised scaling thermometer to identify what zone they are in and whether they need to talk about it with someone or implement strategies to help them (it is not a requirement for all children to use these, rather a suggestion if we notice they may be finding it difficult to self-regulate)
- ▶ Some children might prefer not to use the 'Zones language' and may label the emotions directly. This is fine and encouraged!

Homework

Online homework tasks are set each Friday

| Maths | English |
|---------------------------------|---|
| MyMaths.com (weekly) NumBots | SPaG.com (fortnightly) Practise spellings Read for at least 20 minutes each day |

- Online homework (Maths and SPaG) will be checked by teachers weekly
- Teachers will regularly check in with reading progress
- Spelling test each Friday
- We expect parents to support us and ensure homework is completed. If children are not completing their homework tasks, including spelling and reading, parents will be contacted

How to help at home

How to help at home documents are available on class page of school website.

Repeated practice of fundamentals (i.e. x tables and reading) helps secure depth of understanding.

Year 1 Expectations

- Read for 30 minutes each day (at least 20mins at home)
- Re-read books, practising reading fluently, aloud
- Spellings are practised regularly
- Homework is completed, with care and focus, on-time

How to help at home: Year 1

Maths

Tips & strategies:
Counting, counting, counting! Wherever you can! This will really secure your child's number fluency of the number system and support them with place value.

Counting 'games'/tips
-Climbing the stairs to bed – count in 1s, 2s, 5s, 10s
- Will we reach 100 by the time you have brushed your teeth?
- How many steps do we walk on the way to school?
- Pick a number between 1-10 and count up to ____
- Rocket take off – count down from 10 to see who can get in to the car/get dressed/get their shoes on the quickest.

Numbers in our world
Look out for numbers wherever you can and discuss the digits with your child e.g. number 23 on your road (or any other house or car!) ask your child 'what is that number?' 'How do you know?' encourage them to tell you the value of the digits e.g. the 2 digit is 2 tens (20) and there's 3 ones – so the number is 2 tens and 3 more – 23!

Games:
Counting your steps as you go from one room to another, which room is the furthest away from your bedroom? Can you count the steps?
I am thinking of a number game 'I am thinking of a number, it is one more than 9 and one less than 11, what is my number?'
Ping pong counting: Agree on what kind of voice you are going to do to count e.g. mouse, robot, whisper, giant voice and count alternate numbers child starts '1', adult '2' etc. You can do this game counting in 2s, 5s, or 10s
Bath time fun! If your child has goggles and likes going for a 'swim' at bath time (or alternatively play this at swimming!) ask them to go under water and count your fingers!

Websites:
<https://www.topmarks.co.uk/>
A website full of amazing interactive games that we use right here in school! (There's also not just Maths, there is a whole range of subjects!) We use this a lot in class!
<https://www.primarygames.co.uk/pg2/splat/splatseq100.html>
Splat square is extremely effective for consolidating counting up in numbers and time tables. It is a great tool for spotting number patterns – children can look closely at the tens and ones in numbers up to 100. It is also useful as a resource to support addition and subtraction within one hundred. (Top tip – turn the sound up when you splat!)

Mental Fluency

Throughout the year, your child will focus on these different mental strategies. To support your child you could give them different calculations and ask them which strategy they would use and why in order to solve the answer.

MA1: Manipulate Calculation

MA2: Round & Adjust

MA3: Partitioning

MA4a: Counting On

MA4b: Counting On

MA5: Double & Adjust

MA6: Number Bonds

Reading

- ▶ We want all children to be **fluent readers and develop a love for reading**.
- ▶ Fluency is reading with pace, expression, intonation and reading for meaning.
- ▶ Children are exposed to reading every day in school.
- ▶ They should all have a reading book which they bring in each day and take home each evening.
- ▶ Children will change their reading for pleasure book on a Tuesday and Friday.
- ▶ They will be given a phonics book each Friday.
- ▶ All children are expected to read for at least **20 minutes at home**, every day
- ▶ Children can also access BugClub online where they can access books linked to the sounds learnt in phonics

Parent engagement

Our Amazing PTA

Our amazing PTA work tirelessly to both put on incredible events for our children and to raise money for the school. Without them, we wouldn't have the immersive room, the new lockers for Key Stage 2 or the ice cream van to celebrate the end of last year.

The PTA are always looking for help no matter how big or small. If you would like to offer your support let the PTA know as anything you can offer is greatly appreciated!
