Excellence: everyone, everywhere, every day.

Year 1 Beach Trip

Year 1 had a wonderful, yet hot, trip to the beach. We completed a scavenger hunt and made sand sculptures whilst also identifying the human and physical features. We even waved to the people in North Wales across the estuary. The children were exceptionally well behaved and were true ambassadors for Ashdene.

Excellence: everyone, everywhere, every day.

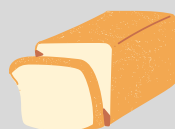

Year 1 Sandwich Making

Well done to our Year 1 children who worked incredibly hard making their own sandwiches!

They showed great care and focus, carefully following their designs and thinking about each ingredient. It was fantastic to see their creativity and effort pay off - the final sandwiches looked delicious and matched their plans brilliantly.

A big well done to everyone for your teamwork and determination!

Excellence: everyone, everywhere, every day.

Year 6 Acting Masterclass

Year 6 were lucky to be joined by Mr Taylor-Dawson yesterday for an acting and performing masterclass! He worked with the children on improvisation, letting go of their inhibitions, developing character and projecting their voice.

He even got a sneak peek at a few scenes from our production and gave the children hints and tips to make their performance even better.

We all had a great time and greatly appreciate Mr Taylor-Dawson giving up his time to share his career with us - you've certainly inspired some future actors

Excellence: everyone, everywhere, every day.

School Choir at the Summer Fair

Well done to the school choir for singing 5 fantastic songs so beautifully at the summer fair, with group and solo performances, you really made us proud!

Excellence: everyone, everywhere, every day.

Pupil Leadership

Reading Ambassadors

Using the commission we made from the Book Fair earlier this year, we were able to purchase new books for the library.

Many thank to all the children who helped us reorganise the library so we could fit the new ones in!

Most of our new titles have already been snatched up by our eager readers- just make sure you return them when you're done for others to enjoy.

Digital Leaders

Our digital leaders recently carried out a technology survey across school. They visited each year group to ensure every class had the correct number of iPads and laptops, and identified any issues that required attention.

Their efforts have supported all members of Ashdene in making sure the right equipment is available for learning. A big thank you to our Digital Leaders for fantastic work!

Excellence: everyone, everywhere, every day.

Finance Team

The Finance Team have applied to Tesco Stronger Starts for a grant to support our midday programme and fund equipment for lunchtime. Tesco customers decide who wins.....so we need your help!

To vote, you will need to make a purchase within store of any value and ask for a token per transaction. At the exit of the store are voting boxes with three hopeful entries.

Make sure you chose Ashdene and make your vote count. Voting will commence in store from the **first week in July 2025** until the end of September 2025 so please vote every time you shop! Thank you for your support on this. Stores where you can vote for Ashdene are:

Excellence: everyone, everywhere, every day.

Sport

Year 6 Cricket

Last week, Year 4 attended a tennis festival at Wilmslow High School where they played some fun activities and some matches. Everyone showed great RESPECT values and there were some great rallies in the matches too!

Well done everyone!

Active Ambassadors

Well done to 3H and 5B for being the KS2 Active Classes of the Week with 93 extra active minutes.

Year 6 Wilmslow High School Pop-Up Shop

For all year 6s transitioning to Wilmslow High School - Express Uniform will be running a pop-up shop on Wednesday 2nd July from 3pm in Ashdene school meeting room.

This will give parents the opportunity to purchase items before pick-up or bring your child to try on samples/purchase after school.

Items can be bought on the day or ordered for pick up.

Please come through the school office to access the shop.

Excellence: everyone, everywhere, every day.

Funded Breakfast Club Arrangements From September

We are pleased to inform parents and carers that from September, Holidayzone will be taking over the Department for Education-funded Breakfast Club provision at our school.

There will also be a change of location for the Breakfast Club: it will move to the Key Stage Two Hall, with drop-off at the main entrance.

Holidayzone will maintain all of our current booking arrangements. However, parents and carers will need to register directly with Holidayzone from September.

Further details about how to register and any other relevant information will be provided by Holidayzone in due course.

Reminder : No Toys or Personal Items in School

We would like to remind parents and carers that children should not bring toys, games, or other personal items from home into school. This includes items such as Labubu dolls, keyrings, and similar belongings.

These items can easily become lost or go missing, which causes children unnecessary upset and leads to significant disruption during the school day.

We appreciate your support in helping us keep the school environment focused on learning and free from these distractions.

Thank you for your co-operation.

Excellence: everyone, everywhere, every day.

In the news this week

Taxi company, Uber, wants to test cars in London that can drive by themselves, without a person at the wheel. The UK government has changed the rules to let this happen sooner. Many believe the service could bring new jobs, but others are worried about human drivers losing work. The cars have performed well in tests, though checks are still needed to make sure they are safe. Some people have already tried riding in these cars to see how well they work.

Things to talk about at home ...

- > Share your experience of public transport and whether you've used a taxi. Talk to someone at home about their experiences.
- > How do you feel about using a driverless taxi? Would you use one? Why?
- > Can you make a list of the pros and cons of driverless taxis?

Are driverless taxis a good idea?
