

## **English – Friday**

Today you are going to write your own short play script. This can be on whatever you want. It could be something as simple as a family meal at your house or a conversation between your friends in school. Alternatively, you could take a book that you have at home and choose a page to re-write as a play script.

On the next page is a worksheet that might help you with your script but you don't have to use it if you have your own ideas.
