

Year 1 writing- Friday 12th June

We are continuing to use the book 'Window' by Jeannie Baker for our writing.

Sam is now 20 years old. As he has grown and changed, so has the place he lives in.

Look at the two pictures. Which picture would you prefer to live in? Why would you choose this one?

Your sentences should have the word 'because' in them to explain your reasons.

Eg. I would prefer to live in the second picture **because** there are more people around to see and talk to.
