Tuesday – 16th June 2020

Subtraction

Add and subtract 1-digit and 2-digit numbers including zero

Note

The colour coded challenges are out of order today to enable the yellow challenge to be on 1 page.

Warm up your brain by playing the game – <https://www.topmarks.co.uk/maths-games/subtraction-grids> – Choose a level to challenge your thinking.

Green

- Use the grid below to play 4-in-a-row. If you feel confident you could change the numbers in the grid
- You could print off this page or write each number on a piece of paper/Post-it
- Roll 2 dice or choose 2 numbers to create a subtraction number sentence.
- If the answer matches 1 of the numbers below you place a counter on the number. Can you get 4 counters in a row?
- You could play with a partner, who can get 4 counters in a row first?

5	0	2	4
2	1	3	1
0	3	0	4
5	1	3	5

Red

- Download “Addition and subtraction challenge cards” in the document list. You can print it if you would like to but you don’t have to.
- Choose some of the problems to solve. Write out the number sentence which will help you to work out the answer. The answers to each question can be found at the bottom of each document.

Yellow

- Using selection of number cards (0-20) or by generating your own number sentences build a robot using the grid below.
- As you create number sentences to make the correct answer and draw out your robot.

<input type="text"/> — <input type="text"/>	= 5	Head
<input type="text"/> — <input type="text"/>	= 8	Body
<input type="text"/> — <input type="text"/>	= 15	Left arm
<input type="text"/> — <input type="text"/>	= 12	Right arm
<input type="text"/> — <input type="text"/>	= 10	Left leg
<input type="text"/> — <input type="text"/>	= 13	Right leg
<input type="text"/> — <input type="text"/>	= 14	Face
<input type="text"/> — <input type="text"/>	= 17	Buttons
