Friday – 19<sup>th</sup> June 2020

### Addition, Subtraction, Division and Multiplication

To solve problems using addition, subtraction, division and multiplication.

Today we are going to use the practise we have done over the week to solve a range of problems. In the document list there are challenge cards for all 4 operations.

There is a range of difficulty with each document so have a look and challenge yourself to try something that you have to work hard on.

Below are a few links to online games that you play before trying the challenge cards. The games will allow you to practise all four operations.

Mental maths train - <https://www.topmarks.co.uk/maths-games/mental-maths-train>

Hit the button - <https://www.topmarks.co.uk/maths-games/hit-the-button>

Fact families - <https://www.topmarks.co.uk/number-facts/number-fact-families>

Daily Ten - <https://www.topmarks.co.uk/maths-games/daily10> - you have to select the level and the operation using the tabs in the top left corner
