What Do Tigers Look Like?

Tigers are the biggest of the big cats. Most tigers have orange fur with black stripes. Some tigers have black or white fur with light brown stripes. The stripes help the tigers to hide from other animals when they are hunting. They have long legs to help them run fast and sharp claws to catch and kill their food. They also have a very long tail.

Where Do Tigers Live?

Most tigers live in Asia. Some live in the cold parts of the north, others live in the south where it is hotter. Tigers live in forests. They like to be on their own.

What Do Tigers Eat?

Tigers eat meat. They hunt for food at night. They creep up on the animal and bite it with their strong, sharp teeth. Tigers eat rhinos, horses and other animals.
